

Information. Quick!

Mini Guide to First Aid and CPR (2.75" x 4.75")

The Mini-guides to First Aid and CPR are a perfect addition to your first aid or emergency kits.

Manufactured for mass production they can be private branded either by simply adding your logo to the cover or on larger quantity, by fully custom designing the front cover.

The booklet is a comprehensive quick reference guide that covers everything from emergency procedures and first steps to CPR in adults and infant.

Developed with the approval of the Heart and Stroke Foundation — this guide follows nationally recognized standards of care.
