Report Forms

Near Miss & Hazard Identification Report Forms (3.5 x 5.5")

The Near Miss and Hazard Identification Report booklet is an excellent tool for workers to record potential hazards or near miss accidents. Each booklet comes with 25 duplicate forms. We can even custom design the forms or covers to fit your specific organizational needs.

By reporting all incidents, no matter how minor, there will be continuous learning and improvement in safety standards and therefore should result in fewer incidents.
